

BOYD TRELOAR #470212

MEDAL OF ESTEEM 2012

On the 22nd September, 2011, the West Australian Quarter Horse Association and the Australian Quarter Horse Association lost one of its long term members, Boyd Treloar, in a tragic accident at his home.

Boyd was a Life Member of the WAQHA and loved his Quarter horses. He was looked upon with a lot of respect and admiration.

Boyd started a lot of people in this industry with his clinics and private lessons and horse training. He gave people the confidence to ride, own and compete with their own Quarter horse.

This, in turn, encouraged a lot of people to become members of the AQHA.

Over the years, Boyd has been President of the WAQHA and, at times, has run this Club on his own. This was back in the days when it was hard to get helpers and there was no email to round everyone up.

Up until the weekend before he died, Boyd attended an AQHA approved show, just to lend a hand. He loved to be involved in any way possible and his help and advice was always appreciated.
