## **General Business**

Craig Rath gave a brief update on YWC and the process thus far – we are awaiting on finalisation of the dates, location and size. Craig confirmed the booking for the camp in Tamworth as well.

There was discussion around the commitments of Youth at the Nationals in order to raise money – however this has seemed to have lost its intent of a youth bonding exercise – there are more appropriate ways of doing this such as a trivia night, movies or even kicking a footy around the oval.

eNews would be more consistent this year with this being published quarterly with contributions from state reps as well as our eNews correspondent

Suggestion of an survey monkey to find out what youth want, what we can do better etc

**Meeting Closed 5:33pm**
