2020 OPTIONAL THEME: "WE USED TO LIVE THERE"

"Our poets are encouraged to take inspiration from wherever they may find it, however if they are looking for some direction, competition participants are invited to use this year's optional theme to inspire their entries."

In 2020, the Dorothea Mackellar Memorial Society has chosen the theme "We Used to Live There." Instantly a nostalgic feeling of home and belonging washes over you, but we're sure Australian students will surprise us with their interpretations. As always, it is an optional theme, so please write about whatever topic sparks your poetic genius.
