**Savour the Moment**

Savour the moment when the breeze

l

o

w

s

through your hair

or when

a bird's song is as sweet  
as honeysuckle.

Savour the moment

when the blossoms on a plant  
are big white flowers

or when

golden sunlight filters through a canopy  
in dappled pools.

Savour the moment.

**Judge Comment:**

There is beauty in the simplest moments (in line breaks and alignment, too!) - as this poem captures.
