

BWL

PART NO BWLSEC/8CH/POE/MK2

IP66 Weatherproof Cameras

With IP66 weatherproof features, the camera remains in an excellent working condition even in extreme weather conditions outdoors by providing you 24 hours safeguard for your home every day.

Built-in IR-CUT

The camera has a built-in warm light mode, full-color night vision at night, and clear picture quality.

Motion Detection & Email Alert

The smart motion detection helps you keep close eye on every movement happened in your home and office. And you will get instant alarming email with images captured when the home or office is invaded.

Power Over Ethernet

This NVR IP camera system add a PoE module, single Ethernet cable provide both video and power. The PoE cameras do not need additional power wiring, avoid electric leakage, simple wiring. PoE NVR is equal to normal NVR and PoE switch. 8CH POE NVR=8CH NVR+8CH Switch, Save money and space for you.

- POE**
PoE technology
Plug and play, free of charge power cord
- H.265X**
H.265X technology
Storage saved, bandwidth halved
- HD Night Vision**
HD Night Vision
Night vision distance up to 30 meters
- HD**
HD FULL 5MP
HD quality, heavy color
- Remote Access**
AP mobile phone remote monitoring
- Motion detection alarm**
Detect motion and send instant email alerts
- Plug and play**
Suitable for multiple networks
- IP66 waterproof**
Suitable for indoor and outdoor use

2MP PoE Camera

LOOSAFE 48V POE CCTV Camera System

Max support 200 meters transmission distance

8CH POE Camera Kits (Full-Color Night Vision)

	Lens	3.6mm
	Sensor	1/2.8" sony
	Image Pixel/Resolution	2.0MP / 1920*1080P
	Image Compression	H.265X / H.264
	View Angle	60-70 Degree
	Infrared Distance	30m
	Mini Illumination	Full-color 0.001Lux @ F1.2(AGC ON)
	Night Vision	1: Infrared night vision; 2: Day & Night Full Color;
	FPS	1920*1080@20FPS
	Audio and video coding	G.711 codec standard, support audio and video synchronization
	Internet Interface	1*RJ45 Ethernet Interface, 802.11b/g/n
	Support Protocol	Support TCP/IP DHCP HTTP PPPOE NTP IPV4 ONVIF
	Waterproof	IP66
	Docking Protocol	Support ONVIF Protocol, Compatible with Hikvision, Dahua and other proprietary Protocol
	Model No	LS-7508POE
	Main processor	H3536D(Program version 323)
	Video Input	8CH Support 8pcs 5MP
	Video Output	Max 1920*1080
	Video Compression	H.265X / H.264
	Audio and video coding	G.711
	Video type	Manual recording / timer recording / motion detection recording / alarm recording
	Ethernet	10M/100M/1000M Adaptive
	Playback	Support 1CH 5MP
	HDD Interface	1 SATA (Max Support 8TB)
	Protocol	ONVIF
	Support Distance	Can support 100 meters between nvr and camera
	Power	52V/2.5A
	Operation Temperature	-10°C~+55°C, 10%~90%
	Size	L260*215*50MM
