

# Slim'n'Comfy

Agile | Engaging | Visionary

Versatile, one-piece injection moulded seat.

As the name implies, the Slim'n'Comfy range was designed to be space efficient and comfortable.

This classic styled and low maintenance chair offers high performance and is engineered to withstand the rigors of constant commercial use. Ideal for schools, universities, TAFE and office environments.

: 4 Leg Stacking

: Sled Base

## FEATURES

- Versatile one-piece polypropylene moulded seat incorporates good lumbar support and comfort.
- Polypropylene makeup incorporates anti-static and UV protective inclusions.
- All welded steel frames.
- Easy maintenance offered by interchangeable seat shells and frame components.
- Sled base frame option enables easy maneuverability on carpet or vinyl.
- Hot stamp with your logo or tagline option available.
- 4 Leg & Sled Base stack maximum of 10 high.
- Trolley available as an optional extra. Designed for one person to easily and safely move a single stack of chairs.
